PTO News

We are rapping up the prize donation portion of this exciting Silent Auction for the Sharon Gardens Project. The Auction will run the night of the David's House Supper at the school, on Thursday, the 11th of December. Many, many thanks to everyone who has donated to the great selection of prizes for this cause. We will be compiling the auction booklet within the next few weeks. If you have already given us the prize you pledged, thank you so much! If you have a prize to donate please let us know and we can make arrangements to get it from you. We would like to get the rest of the pledged prizes by November 12th (Our next PTO meeting), so we can complete the prize booklet. We will then begin work on the booklet so that we can get it out to the public before December 11th. At this point we have about 30 great prize packages/items to bid upon (this number includes pledged items). In order to be as economical as possible, please let us know by sending us an email if you would prefer to have the booklet sent to you electronically. We will attempt to send only one booklet per household to save on resources as well.

If we can help in any way, please let us know.

Sincerely,PTO

Stacey Lober, Christine Dobrich

Got Clutter

The Sharon PTO is taking donations of good, used sports equipment and winter cloths. You can drop

off donations at the school or bring them in on November 22. The sale starts at 9am and ends at 1pm and it will be held in the Elementary School Gymnasium. There will be low prices and great deals on coats, hats, mittens, skis, cleats, baseball gloves and many other great items. Refreshments will be served and we hope to see everyone there.

Good News Notes and Calls

I have asked faculty and staff to let me know when they see or hear a student doing something nice for someone in the building. On Friday's I will call the parents of those students to let them know that their son or daughter is doing a great job and that we really appreciate his or her efforts. On Monday mornings during our whole school PC assemble I will call those same students up front to recognize them in front of their peers. Our hope is that acts of kindness will become contagious and our already positive school climate will continue to improve.
